Always the Bridesmaid and Never the Bride?

***The Society of Arts and Crafts Presents:* The 11TH Annual Craftboston Spring Wedding Gift Solution! March 23-25, 2012**

For the betrothed, upcoming nuptials represent a celebration of their new life together. For the rest of us, they represent a long wedding season full of taffeta, chicken cordon bleu, and a search through wedding registries for not-yet purchased serving spoons. The Society of Arts and Crafts is pleased to announce the 11th Annual Craftboston Spring show as a solution to your wedding gift blues. Craftboston Spring will offer the work of 200 of the most innovative craft artists of our time in Boston's Waterfront District at the Seaport World Trade Center.

Sure you may be angry with your friends because you have to wear lavender and eat spumoni, but come to Craftboston Spring and enjoy the gift searching experience. Buying your wedding gifts at Craftboston ensures that:

- You will not be humiliated when you are seeking registry information, but cannot remember either party's last name – We won't even ask for it.
- You will not have to "go in" on a gift with others in order to buy more than one wine glass – Craftboston artists offer an array of prices to meet gift-giving needs
- Your gift will be hand-made and completely unique – Despite the dyed shoes, you are still happy for your friend, right?
- You will have fun buying wedding presents and will forget about the wedding blues!
